- **Internal Continuous Evaluation (ICE)**

The Institute is affiliated to Anna University, Chennai and follows the Examination pattern of the university. Anna University guidelines are strictly adhered to with respect to evaluation process. There are three internal tests conducted. The schedules of internal assessments are communicated to students and faculty in the beginning of the semester through college academic calendar which is prepared based on the university academic calendar.

The college Exam cell framed guidelines for conducting the ICE in line with calendar of the University. As per the guidelines, the following have been carried out effectively for conducting the ICE.

- Scheduling of Internal Examination, Seating arrangements, hall invigilators listed for every examination.
- Preparing the question paper for the internal examination in the prescribed pattern based on Knowledge level using revised Bloom's taxonomy.
- Scrutiny of the prepared question paper is carried out by HoD/ Subject expert to ensure quality of the Question paper.
- Monitoring the attendance of the students for the Examination.
- Internal Assessment has to be carried out within the stipulated time.
- After completion of the internal examination, the faculty evaluates the answer scripts and distribute to the students for doubt clarifications. The faculty submits the examination marks to the examination cell coordinator and marks are displayed on the notice board.
- Result review meetings are conducted with result analysis and the remedial actions for further improvements are discussed with faculty, HoD and Principal.
- Upload of internal assessment marks in university web portal and subsequently communicated to parents.

Each course, both theory and practical (including project work & viva voce Examinations) shall be evaluated for a maximum of 100 marks. For all theory and practical courses including project work, the continuous internal assessment will carry 20 marks while the End - Semester University examination will carry 80 marks.

For theory courses, three tests each carrying 100 marks shall be conducted during the semester by the College concerned. The total marks obtained in all tests put together out of 300, shall be proportionately reduced for 20 marks and rounded to the nearest integer.

For laboratory courses, the maximum marks for Internal Assessment shall be 20 in case of practical courses. Every practical exercise / experiment shall be evaluated based on conduct of experiment / exercise and records maintained. There shall be at least one test. The criteria for arriving at the Internal Assessment marks of 20 are as follows: 75 marks shall be awarded for successful completion of all the prescribed experiments done in the Laboratory and 25 marks for the test. The total mark shall be reduced to 20 and rounded to the nearest integer.
